The Sunday School Convention held in the M. E. church last Sunday was a success. Although the attendance was not very large a great interest seemed to be taken in the work. The next convention will be held in the M. E. church the last Sunday in March at 5 o'clock p. m.

Mr. and Mrs. George Cork, well known residents of Speaker township, were delightedly surprised on Wednesday, December 26th, 1894, by the unexpected arrival of their sister, Mrs. Rosa Lee James, of Chicago. Although this event was considered anything but a misfortune, it did not come singly, but was followed later in the day by the also unheralded arrival of R. E. Lee and Mrs. N. G. Muir, of Almont, Mrs. N. J. King and Mrs. Willard Stocker, of Metamora, the brother and sisters of Mrs. Cork. A merrier, jollier house party would be hard to find. Two delightful days were spent, replete with mirth, jests, games and music, not forgetting to mention the delicious home fare and luxury laden tables, but as the bitter and the sweet and sunshine and darkness are ever closely mingled in our lives, so the joy of meeting must give place to the sadness of parting, yet the memory of those two perfect, happy days will henceforth prove a benediction to all who participated. The delightful reunion was concluded on Friday morning, the 28th, by the christening of Mr. and Mrs. Cork's youngest child, James Merrill Cork, to whom Mrs. Rosa Lee James stood godmother. The ceremony was deeply touching and impressive. Our congratulations and best wishes are with the parents and little son James, whose little barque has been so auspiciously launched on life's stormy tide.

## Echoes From the Castle of Knowledge.

Edward Andraee, Editor.

Susie McKernan is now filling her position.  
The 9th grade have finished Physical Geography and are now studying Michigan History.  
The 10th grade are studying History of English and American Literature. They have finished Book-keeping.  
An effort is being made to get a piano for the school. We are greatly in need of an instrument as we have only a couple of small hand organs.

### A Pleasant Surprise.

On Monday evening, December 31st, more than four score of the friends and neighbors of Alsey Morgan poured in upon him and with pleasant greetings and poor apologies soon placed him "hors de combat". After the evening had been pleasantly spent in singing and speaking and a bounteous supper had been served, Mr. Morgan was presented with a handsome morocco bound Bible, a gift from the Cole Sunday school, of which he is superintendent. All enjoyed themselves to the fullest capacity and felt pleased with themselves for being there. The following is a letter to Mr. Morgan from the officers and scholars of the above mentioned school:—

West Brockway, Jan. 1, 1895.  
To Mr. Alsey Morgan, Superintendent of the Cole Sabbath School.

We the officers and scholars of the above named school cannot allow the present opportunity to escape without conveying to you our sincere gratitude for the able, willing, and at the same time pleasant manner in which you have acted as Superintendent of our school. And although the fruits of your labor may not be apparent to you now and at times there may have appeared clouds upon the horizon of the task God has given you to perform, still there remains the knowledge that it is the work for which the Master has fitted you, and such work we are promised shall never lose its reward. And now we would ask you to accept this Bible and the "Christian Herald" one year as a token of our appreciation for the services you have so willingly bestowed. In conclusion we do hope that you may be long spared to continue in the great, grand and ennobling work.

Signed in behalf of the Cole Sabbath School

### STATEMENT OF INTENTION TO FORM A FIRE INSURANCE COMPANY FOR ST. CLAIR AND SANILAC COUNTIES.

Whereas, the FARMERS of St. Clair and Sanilac counties, State of Michigan, desire a reliable home insurance company, and such a company may be formed from among the farmers of said counties of said State with a less rate of insurance than they are now paying to outside companies;

Whereas, they believe a mutual association if properly formed and conducted is the true method for farmers to insure their property;

Whereas, in view of the fact that most of the leading fire insurance companies have placed their property on the "Prohibited List" and the few stock companies that do write farm property have advanced their rates so high, and have placed so many restrictions on what they do write that it is impossible to get insurance on a large amount of farm property.

Therefore, we believe it to be for the best interests of the farmers of said counties to form a Mutual Fire Insurance Company on the Stock Plan of paying premiums in advance.

# The New Tariff Law

Has struck us, and struck us mighty hard. We have too much clothing on hand and must reduce our stock in order to make room for goods bought under the new schedule.
